### HERBAL COMPRESS MASSAGE

Traditional the rapeutic Thai massage with a soft touch  
of a Steamed Herbal ball to treat muscular tension. The  
infusion of the herbs will penetrate into your body through  
the skin and reduce muscle ache.

### Back & Shoulder & Head

The back is the main supportive structure  
of the body and is also central to all  
nervous systems in our body. This  
back & shoulder massage touches your  
body 'senses while loosening up your  
back muscles.

### Oil Massage

This unique relaxation experience  
promotes a gentle penetration of  
essential oil through your skin  
resulting in full body stress relief.

### Thai Massage

Focus on pressing certain body 's spots according to the  
Physiology study of traditional Thai remedies. Thai massage  
harmonizes the four element : Earth , Water Air & Fire, in  
the body which gives a harmonious and healthy felling.

### Foot Reflexology Massage

Reflexology is used to treat physical  
aliments by using pressure points in  
the feet to stimulate all nervous systems.
